ANTI-REBATING FORM

Anti-Rebating Certification Statement

In accordance with section 508(a)(9) of the Federal Crop Insurance Act and the SRA, a company and its affiliates are prohibited from providing a rebate, except as authorized in section 508(a)(9)(B). For more information regarding rebates, contact RMA Reinsurance Services Division. The Anti-Rebating Certification is an individual certification of the applicant/insured and the agent required at the time liability is established. This certification is required for each crop year for the crop or crops contained on the application associated with the policy number. Furthermore, the agent is the agent who accepts and signs the applicable form in which liability is established. The time liability is established is the time specified by the applicable policy, e.g., at acreage reporting time.
